

Our Focus:

- ◆ Identify educational limitations in the community and explore ways the Literacy Zone can meet those needs
- ◆ Assist individuals and families in planning, pursuing and reaching their educational and career goals
- ◆ Match individuals with available resources in the community
- ◆ Explore all areas of Literacy: Educational; Vocational, Financial, Health, Occupational
- ◆ Establish bridges and build relationships with organizations that enhance service to individuals
- ◆ Inform individuals about classes and programs available through the Literacy Zone Partner Agencies
- ◆ Encourage regular class attendance and assist with barriers preventing individuals from coming to class
